

A "Saucon Valley Sampler" in 2013

HBFF of PA members will be enjoying "Saucon Valley" hospitality, along with its historic barns when they come to the beautiful Saucon Valley in June for the annual meeting and barn tour. This year's committee has put together another amazing two-day event with seven very special barns. On Friday, June 14th, we will be meeting at a Pennsylvania barn located in Lower Saucon Township, Northampton County. After visiting the John Wagner barn, we will head to Saucon Valley Acres where we will enjoy a delicious buffet dinner. Our speaker will be HBFF of PA member, Mr. Douglass Reed, who will be sharing his many years of experience, and discuss the "Healthy Practices for Barns: Analysis, Repairs and Maintenance."

Douglass Reed
HBFF of PA Member

An independent business owner, Reed started his first business 1972, building and restoring traditional log houses. By 1977, he became incorporated as Preservation Associates, Inc. and expanded his company's services to include National Register nominations, historic and cultural resources surveys, consulting, condition assessments, and more. Reed has 41 years of experience as an architectural historian, craftsman and technical consultant to architects, engineers and property owners on a wide range of historic building types. He is a specialist in historic materials conservation and has been in the forefront of developing the investigative processes used for initial condition assessments of historic structures. A brief business meeting and our traditional fun-auction fundraiser will precede our guest speaker's presentation.
